CONTENT OF AN ONLINE LESSON

Online lessons are beneficial because they allow you to get to know my method, to ascertain your level in English, to share your interests with me, and to discover your strengths but most of all, work on your weaknesses.

Lesson lasting 60 minutes

10 minutes – Conversation & lead-in.

5 minutes – Your objective(s) for this lesson. Lexis recall, grammar point review from previous lesson.

30 minutes – We work with an article/video/radio. The subject has been chosen because it is of interest.

10 minutes – We go through the vocabulary and we study a new grammar point.

5 minutes – We check that we have achieved today's objective(s) and we discuss the next lesson.
